Krombacher Pils

\$5.00

Krombacher Pils - A pearl of nature.

Situated in beautiful natural surroundings, the pure Felsquellwasser® (mountain spring water) provides the essence of purity that is captured in the unmistakable taste adventure that Krombacher Pils brings us. The taste of our beer is quite decisively characterised by the water it is brewed with.

With Krombacher Pils you enjoy a distinctive, finely bitter taste and a full-flavoured aroma – this is a genuine premium pilsner beer with an alcohol content of 4.8 %. Our modern production processes enhance the traditional recipe whilst complimenting the natural products that have been used for generations to create the unique brew that is Krombacher Pils.

"Every 10th Pils consumed in Germany comes from Krombach. In Germany each second 60 glasses (0,2l) of Krombacher Pils are enjoyed."

Tangerine Wheat

\$5.00

Let's just put it this way: If you're ever going to have an impromptu pool party at a complete stranger's house, this is the beer you'll want to be swiggin' when you get caught. Brewed with the perfect balance of wheat and crystal malts, our Tangerine Wheat delivers a perfectly crisp finish for those hot summer days. It's got that classic Lost Coast wheat flavor, with a kick of citrus to help jump-start the party.

City Beautiful IPA

\$5.00

In the 80's, American brewers revived the near defunct British IPA with a version 50% hoppier and stronger than the original. Although the style continued to intensify over the decades, our founder Tom stayed true to his classic recipe that features the four C's of American hops: Cascade, Centennial, Chinook and Columbus. The City Beautiful IPA was born in Orlando, crafted for the city we love and it remains a dry, yet refreshing, crushable, classic American IPA.

SuckerPunch Dill Pickle Sour

The tart, citrusy flavors of a DESTIHL gose ale combine with the unmistakable zesty, garlicky flavor of a Suckerpunch dill pickle to create a uniquely delicious, knockout flavor experience. Cheers!
